Captain's Report:

A cool cloudy morning saw 59 players tee off at Mandalay Golf Course on the 1st of May 2023.

As the morning progressed the sun broke through the clouds, making for a pleasant competition.

Thanks to Bill, Mario and the 2 Peters for getting the members checked in and collating the results.

Thanks to the Mandalay staff for their assistance and for providing our meals and a well-presented course to play on.

Although the greens were a little fluffy after being cored last month, putting was not affected, as some good scores were recorded. There were 11 players or 19% who scored better than or equal to their handicap.

2023 Country Championships at Barham

Report by Peter Turner

Three Hume veterans travelled to the NSW border town of Barham to participate in the Victorian Country Championships held on May 8th and 9th.

The event was a two-day Stableford format with daily prizes for the four grades as well as two-day prizes and trophies awarded to the grade champions.

Our participants were Vito Cirelli, Neil Fowler and Peter Turner.

Despite the fact that we only achieved the odd ball in the rundown, all were competitive and enjoyed the company of fellow veteran golfers from districts state-wide.

The incredible number of 145 competitors fully loaded the course, however, play progressed at a better-than-expected pace. The course was presented in excellent condition and the weather was cool but sunny. The event organization and catering couldn't be faulted.

Scores:

Vito: Day one 29 points Day two 37 points.

Neil: Day one 29 points Day two 32 points.

Pete: Day one 33 points Day two 34 points.

Tee Hoon (Richard) Lim (North West District) is the Country Champion with an impressive 39 points on Monday and backed it up with 38 points on Tuesday. Congratulations to Richard.

Golf In World War II

German aircraft from Norway would fly on missions to northern England; because of the icy weather conditions, the barrels of their guns had a small dab of wax to protect them.

As they crossed the coast, they would clear their guns by firing a few rounds at the golf courses.

Golfers were urged to take cover.

Richmond Golf Club

Temporary Rules 1940

Players are asked to collect bombs and shrapnel to save causing damage to the mowing machines

In competitions, during gunfire players may take cover without incurring a penalty for ceasing playing.

The positions of known delayed action bombs are marked with red flags.

Shrapnel may be moved on the fairway, or in the bunkers, without penalty.

A ball moved or destroyed by enemy action, can be replaced without penalty provided it's not nearer the hole.

A player whose stroke is affected by a bomb exploding may play another ball from the same place. Penalty one stroke.

An avid golfer goes to see a fortuneteller to enquire if there are any golf courses in heaven. "I have good news and bad news," she tells the golfer.

"What's the good news?" asks the golfer.

"The good news sir is that the courses in heaven are spectacular, without doubt better than anything you have ever seen on earth."

"What's the bad news then?" he asks.

"You have a tee time at 8:30 tomorrow morning."

A man was golfing one day and was struck by lightning. He died and went to heaven. Saint Peter told him when he arrived at the gates of heaven that the bolt of lightning was actually meant for his golf partner. But, because God doesn't want it known that he makes mistakes, so the man would have to go back to earth as someone other than himself.

Well, the man thought about it for a while and announced to Saint Peter that he wanted to return to earth as a lesbian.

Saint Peter asked the man why a macho guy like him would choose to return as a lesbian.

The man answered, "It's simple really, this way I can still make love to a woman, AND I can hit from the red tees!"

A priest is playing a round of golf at the local public course when he arrives at the 15th tee. This hole is a 160-yard par three with a lake in the front of the green. It is also the padre's nemesis, no matter how well or how poorly he is playing.

Upon arriving at the tee, the priest tees up his ball, gets ready to hit and, at the last minute, looks toward the heavens and says, "God, I have been a good and decent man. Please, just this once, let me hit a shot which will carry the lake and get onto the green."

As he is about to swing, a loud, deep voice booms from the heavens and says, "Use a new ball, they go farther."

The preacher steps back, thinks about the heavenly advice and goes to his bag and gets a brand new ball. He takes his stance and once again the heavenly voice booms, "Take a practice swing first."

The preacher is now awestruck by the heavenly advice, so he steps back from the ball and takes a practice swing.

He takes his stance and gets ready to hit and the heavenly voice booms, "Use the old ball."
